

WELCOME TO THE CAST OF MATILDA!

CMT has welcomed casts to over 80 productions in 20 years. This will be a first in so many ways. Without a “covid crystal ball” we are all venturing into unknown territory. Our commitment to this production and performers is to protect the cast and staff by keeping all safety protocols. The rehearsal time has been doubled in order to adapt to the unknown – and avoid every obstacle.

CMT asks that our cast and families keep their part of this commitment by practicing safety protocols always – not just at rehearsals. During the course of this adventure in theater we will all be doing the “pandemic pivot” because “the show MUST go on”!

CAST ROTATIONS – Will be sending information regarding performance dates and other details next week after all casting is confirmed. The Telly Cast has only one performance on Saturday February 6th. Please email us at info@cmtworks.org if you have questions.

DROP POLICY REMINDER - please email us at info@cmtworks.org by Sunday Oct. 11th for a full refund (less audition fee of \$25)
