***CMT SUMMER SHOWCASES!**

We have two showcases planned as part of the 2-week summer program sessions: The British Invasion Showcase 7/2 and the Storytelling & Sondheim Showcase 7/30. These performances will allow the kids to show off what they have learned in a cabaret style format. While the plan is to be in a theatre with an audience, we will share more details of what this will look like based on the covid protocols at the time of the shows. This may mean both performers and audience will be masked and social distanced - or other covid precautions. Our staff will update on this as well as ticketing as we get closer.

CMT Summer Camp & Workshops will be done following current covid precautions and best practices based on our community levels over the summer months. This may include classes being done in masks, socially distanced, and with covid precautions. These sessions will be limited to the number of participants for each session needing a minimum student enrollment as well as a maximum so please plan and register early.
